PRESIDENT'S CORNER

LET US BE PROUD MEMBERS OF ZBCA

Last week we reviewed upwards moderately member subscriptions for categories “A” to “D”. As your President, I am happy with the positive support that has come from members regarding this issue.

This week, especially as we begin the new year of 2022, I am appealing to the membership to demonstrate their allegiance and unwavering pride for being members of the Association by displaying the name of the Association and even your category on Bill Boards wherever you will be doing work. This way, together, we will be able to grow the Association as a team. Such disclosure will also help us as an Association to expose unregistered contractors, who are tarnishing the good name of contractors out there.

Lastly, I hereby extend best wishes to the sector as it reports back to work on Monday 17 January 2022 after the festive season.
