PRESIDENT'S CORNER

RETRACTION OF ARTICLE HEADLINED "REQUEST FOR MEMBERS TO ALERT THE OFFICE OF SITE VISIT DATES"

We refer to the article under the President's Corner in the Association weekly bulletin issue number 05/22 dated 04 February 2022 headlined **REQUEST FOR MEMBERS TO ALERT THE OFFICE OF SITE VISIT DATES**. We have noticed that the article conveyed the wrong impression to the general membership and seemed to suggest that one member is being favoured over the rest of the membership. We therefore take this opportunity to apologize for the wrong impression portrayed by the article. We would like to put it on record that the Association treats all its members the same, and avails equal opportunities to everyone. We sincerely apologize for the wording in that article that led to the wrong message being conveyed, and hope that this retraction sets the record straight.

As a family working towards a common goal let us continue to learn from each other.

I thank you.
